wser-based online game that has gained immense popularity due to its simplicity
and addictive action. In Paper IO 2, you can become a shape, shading in to exten
d over the entire area, pouring everything around with your color. The shape flo
ats like a snake, leaving a trail of color behind it. If you paint a closed circ
le, you can add extra space to your area. Don't be afraid to conquer other p
eople's territory, but be careful not to cross your own trail, as this will
cause you to lose territory. Also be aware that an enemy can eliminate you while
 you are drawing your borders. The winner of Paper IO 2 will not only top the le
aderboard, but will also receive a fantastic bonus.</p>
