The critically acclaimed indie game franchise Five Nights at Freddy's has arrived in full force in Miniplay - haven't you tried it yet?

Five Nights at Freddy's or also known as FNAF is a game of Horror in which you control Mike Schmidt, a newly hired security guard for the night shift at a fast food restaurant. A boring job, isn't it? Only every night, the animatronic dolls come to life and roam the restaurant's halls, turned into deranged killers, eager to avenge their pitiful existence.

What is your mission at FNAF?

As a security guard you must survive the night and make sure that the dolls don't escape from the restaurant and spread chaos and terror wherever they go. To do this you will have a number of tools at your disposal.

Dig in to your sentry box and check the security cameras, so you can see which dolls have woken up and where they are in the restaurant. Turning on the lights can scare them off and some of them can only be stopped by closing the doors. But be careful, you have limited energy for each night and you can't keep all your defenses on all the time or it will wear out and you'll be exposed to any doll with bloody intentions.
