is a 2D adventure game by the company FRVR Games. You are a miner with a shovel and you are discovering the underground world. By making your way through mud, dirt and rocks, you can collect money to improve your skills and buy better tools. The game is a constant adventure where you can improve your character step by step. There are several different levels in the game, and each level has a different objective that must be achieved in order to move on to the next level. At the beginning of the game, the goal is to collect a certain amount of gold, while later in the game the goal can change to find gems or other valuable items. During the game, players can unlock different tools and improvements that will help them in mining for gold. For example, a digging tool that moves faster, a dynamite shooting tool that can remove large rocks, and so on. Players can also win different prizes, such as money or bonuses, which will help them progress faster through the game.

is an extremely addictive game that will provide players with many hours of fun and challenge. Since the game can be played in a browser, players can enjoy it anytime, anywhere. Walk around with the miner to collect as much gold as possible.
