Expect extremely mature content on all fronts. Teens and others are tortured in various ways (lips sewn shut, burned)

ell as a jump scare or two.

Ma Movie Review | Common Sense Media

Typically, very scary horror movies (which tend to feature gratuitous gore as a by-product) aren't exactly great for children to watch, typically because it tends to scare them a lot more than you or me. But if you think it's somehow going to turn your child into a mass murderer, that is frankly laughable.
