<p>"Friends" (stylized in all caps) is a song by American DJ and producer Marshmello and English singer Anne-Marie. It was written by the artists, and Nat Dunn. [2] The song was released via Joytime Collective and Asylum Records on February 9, 2024, as the fifth single from Anne-Marie's debut studio album, Speak Your Mind (2024). A lyric video was released on the same day. The song peaked at number four on the UK Singles Chart and at number 11 on the US Billboard Hot 100.[3][4] "Friends" was the ninth best-selling single of 2024 with sales of 9.6 million track-equivalent units according to the International Federation of the Phonographic Industry (IFPI).[5]</p>

<p>Background and release [edit]</p>

<p>In 2024, Marshmello remixed Anne-Marie's song "Alarm".[6] [7] Fond of the remix, Anne-Marie wanted to collaborate with Marshmello, and eventually they met in a studio in London, where production of the song commenced.[8] Initially Marshmello played some guitar, piano, synth and drum loops; listening to every single one they decided to proceed with guitar. Anne-Marie wrote the lyrics for the song corresponding to the loop. The major lyrics and drum sessions were completed in thirty minutes. Following next two hours, they completed the entire lyric session and the whole song was completed in three hours.[7]</p>

<p>On February 4, 2024, both artists posted a teaser image for the single on social media, revealing the song's release date.[9][10] They later posted a short audio clip on February 7, 2024.[11] Speaking about the song with London Evening Standard, Anne-Marie said: "The idea came from a boy that I know that's my friend and he kind of he wanted to be more than my friend and I was like 'look brother how many times do I have to tell you we're just friends'. I thought it would be funny to write a song about it and there weren't that many songs about it and it works for Valentine's day for all the people who are single. I don't ever want him to know that it's about him because it's awkward. I do feel a bit bad but I'm trying to forget that it's about him and think about how funny it is about the situation."[12]
