a slot game you could possibly think of, but if you can overcome the uninventiv
e title, you might be in with a shot of winning a considerable jackpot.
; This 5-reel progressive video slot comprises five paylines and operates
on the respected Playtech software platform. The classic, fruit-themed slot mig
ht be a little too basic for players accustomed to eye-popping animations and ri
otous sound effects, but if you like your casino titles to be fruity with a capi
tal F, this one is definitely for you. Maniacal fruit
There is plenty to recommend Fruit Mania, from its bonus round to its pr
ogressive jackpot. We will define the specific features later, though: right now,
we are chiefly concerned with bringing you up to speed on the betting range.
p>As stated, Fruity Mania includes five reels, but rather than the custom
ary 15 or 20 paylines, there are just five to work with. All wins pay left to ri
ght, as normal, except the scatter, which pays anywhere on the reels. The aim of
the game, as ever, is to find between two and five identical symbols on adjacen
t reels. There is a fixed coin value of 0.25 per line, meaning the maximum bet c
osts just 1.25 making this very much a low roller slot. That said, the pay-out
s aren't to be sniffed at. In order to be in with a shot of scooping the progres
sive jackpot, you will need to play on the maximum number of paylines (all five, i) Tj T* BT /F
