Krav Maga's emphasis on real-world self

defense and potentially lethal techniques makes it less suitable for

the regulated environment of MMA competition.

1. Krav maga techniques are designed for survival and often escape rather than

Victory or dominance.

If Krav Maga is so effective, why is it not featured in MMA fights?

Quora: If Krav Maga is so effective, why is it not featured in MMA fights?

Quora: If Krav Maga is so effective, why is it not featured in MMA fights?

Because well taught Krav Maga is so comprehensive in what it teaches,

it makes it very effective in a street fight situation,

where anything can happen
