<p>There are no Poki games here! Why? One of the tasks of our site is to p
rovide you with access to high-quality games that can compete with Poki games. A
ll games present in our catalog are free. There are more than 300 thematic categ
ories on our site. The section of 1001 games designed for tablets and smartphone
s, which also work on desktops, is also growing rapidly. We have collected for y
ou a vast number of games, including all the most famous game series that are up
dated daily, which are not available on the original Poki website yet. To start
with, choose the genre you like, then decide on the game you want to play and la
unch it right away, without registering and downloading it to your computer.<

<p>From Flash to HTML5 available without Poki games</p>
<p>Since people have always enjoyed unwinding and having fun, they have cr
eated numerous devices or simply exploited resources that were available to them
. That is how things familiar to us were created: balls, skittles before that
they were just stones and sticks. But now we have all these technology and devis
es, thanks to which the gaming component of everyday life has increased many tim
es.</p>
<p>Since modern browsers have stopped supporting Flash technology since 20
24, games based on this system are gradually leaving web pages. However, there a
re still some of the most popular toys that work in browsers using special emula
tors. HTML5 technology significantly expands the possibilities for players. Crea
ted using modern developments, HTML5 games can be launched both on desktops and
