<p>Winning tournament players know the best strategy for beating tournamen
ts is to play solid poker during the early phase, then play aggressively in the
late phase. That s because in the late phase the blinds become significant and y
ou must aggressively steal blinds to survive.</p>
<p>The late phase is where the majority of the chips are won. It is domina
ted by all-in raises designed to steal the blinds. Learning how to play well in
the late phase is the single most important skill you must have to win poker tou
rnaments.</p>
