&lt;p&gt;&lt;/p&gt;&lt;p&gt;2024 video game&lt;/p&gt;  
&lt;p&gt;Call of Duty: Black Ops III is a 2024 first-person shooter game develop  
ed by Treyarch and published by Activision. It is the twelfth entry in the Call  
of Duty series and the sequel to the 2012 video game Call of Duty: Black Ops II.  
It was released on PlayStation 4, Windows, and Xbox One on November 6, 2024. A  
feature-limited version developed by Beenox and Mercenary Technology that only s  
upports multiplayer modes was released on PlayStation 3 and Xbox 360 and was als  
o the final Call of Duty title released on those platforms.&lt;/p&gt;  
&lt;p&gt;Black Ops III takes place in 2065, 40 years after the events of Black O  
ps II, in a world facing upheaval from climate change and new technologies. Simi  
lar to its predecessors, the story follows a group of black ops soldiers. The ga  
me&#39;s campaign is designed to support 4-player cooperative gameplay, allowing  
for bigger, more open level design and less corridor shooting. As the player ch  
aracter is cybernetically enhanced, players have access to various special activ  
ities. The game also features a standalone Zombies campaign mode, and a &quot;Ni  
ghtmares&quot; mode which replaces all enemies as zombies.&lt;/p&gt;  
&lt;p&gt;Announced in April 2024, the game is the first Call of Duty video game  
released after Activision ended its partnership with Microsoft Studios and inste  
ad partnered with Sony Computer Entertainment, which secured the timed exclusivi  
ty of the game&#39;s downloadable content. Upon release, the game received gener  
ally positive reviews from critics, praising the gameplay, Zombies mode, and amo  
unt of content. However, it was also criticized for its story and lack of innova  
tion. The seventh-generation console versions in particular were singled-out for  
their lack of a campaign and numerous features, as well as them being online-on  
ly. It was a commercial success, with it becoming the top-selling retail game in  
the US in 2024, and one of the most successful titles released for the eighth g  
eneration of video game consoles.&lt;/p&gt;  
&lt;p&gt;Following the years after its release, Black Ops III has gained a cult  
following and the online modes still remain active, with an average of over 10,0
