It was released worldwide on November 3, 2024 for PlayStation 4, Windows and Xbox One. It is the💸fourteenth main installment in the Call of Duty series and the first title in the series to be set primarily💸 during World War II since Call of Duty: World at War in 2008.</p><p>The game's campaign is set in the European💸 theatre and is centered around a squad in the 1st Infantry Division following their battles on the Western Front and💸 set mainly in the historical events of Operation Overlord. The player controls Ronald "Red" Daniels, who has squadmates who can💸 supply the player with extra ammunition, health, or grenades as well as a targeted grenade and target spotting; none of💸 these are automatically replenished in the campaign. The multiplayer mode features map locations not seen in the campaign. The mode💸 also features the new Divisions system, replacing the create-a-class system that previous games in the series used. A social hub,💸 named Headquarters, was also implemented into the game, allowing for players to interact with each other.</p><p>Sledgehammer Games were interested in💸 bringing the series back
