Maestro or Mastercard: which card should you use abroad?

King Kong has nothing on this gargantuan gorilla. Playtech are going super-sized in the Epic Ape video slot, where jungle scene plays host to one mighty simian who doesn't do things by halves. Not satisfied with the measly 3125 ways to win slots, Playtech's latest release offers 4096 betways. To contain this massive beast, there are huge 6x4 reels. Plus, the game's special features don't
