PS3 (disambiguation)&lt;/p&gt;  
&lt;p&gt;The PlayStation 3 (PS3) is a home video game console developed and mark  
eted by Sony Interactive Entertainment. The successor to the PlayStation 2, it i  
s part of the PlayStation brand of consoles. It was first released on November 1  
1, 2006, in Japan, November 17, 2006, in North America, and March 23, 2007, in E  
urope and Australia.[15] The PlayStation 3 competed primarily against Microsoft  
&#39;s Xbox 360 and Nintendo&#39;s Wii as part of the seventh generation of video  
game consoles.&lt;/p&gt;  
&lt;p&gt;The console was first officially announced at E3 2005, and was released  
at the end of 2006. It was the first console to use Blu-ray Disc technology as  
its primary storage medium.[16] The console was the first PlayStation to integra  
te social gaming services, including the PlayStation Network, as well as the fir  
st to be controllable from a handheld console, through its remote connectivity w  
ith PlayStation Portable and PlayStation Vita.[17][18][19] In September 2009, th  
e Slim model of the PlayStation 3 was released. It no longer provided the hardwa  
re ability to run PS2 games. It was lighter and thinner than the original versio  
n, and featured a redesigned logo and marketing design, as well as a minor start  
-up change in software. A Super Slim variation was then released in late 2012, f  
urther refining and redesigning the console.&lt;/p&gt;  
&lt;p&gt;During its early years, the system received a mixed reception, due to i  
ts high price (\$599 for a 60-gigabyte model,R\$499 for a 20 GB model), a complex  
processor architecture, and lack of quality games but was praised for its Blu-ra  
y capabilities and &quot;untapped potential&quot;. The reception would get more  
positive over time. The system had a slow start in the market[20] but managed to  
recover, particularly after the introduction of the Slim model, and managed to  
sell 87.4 million units to outsell the competing Xbox 360 and become the eighth-  
bestselling video game console in history. Its successor, the PlayStation 4, was  
released later in November 2013. On September 29, 2024, Sony confirmed that sal  
es of the PlayStation 3 were to be discontinued in New Zealand, but the system r
