Modern Warfare has been out for almost two

years, and after continuous updates, the game takes up a huge amount of space.

Here's why Modern Warfare's file size is so huge. Modern Wa

rfare started life with a massive 175GB requirement to store on drives, making

it one of the biggest games ever.

The increased fil

e size was due to the increased amount of content

at launch, including map files for Warzone, as well as the Zombies mode,

and the fact that a lot of content from Modern Warfare II carries over to Moder

n Warfare III.
