öWhen it was first published, the classic slot game U

ltra Hold and Spin was a huge hit thanks to its engaging gameplay and superb vis

uals. Three reels, three rows, and five paylines are the standard layout of this

game. It has a Return to Player rate of 96.70% which is acceptable.</p>

</p></p>

The traditional symbols, such as the X, Cherries, Oranges, Plums, Stars

, Strawberries, Watermelons, BARs, and Sevens, can aid you in obtaining your pri

zes. The Sevens are the most valuable of the common symbols, and landing three o

f them on an active payline will result in rewards worth 50x your wager. From a

minimum of 10.05 up to 250 a spin, you can play the Ultra Hold and Spin slot wit

h a maximum potential payout of 500x. Moreover, all reels have the wild symbol,

which can substitute any image other than the money symbols. When a winning comb

ination includes a wild symbol, you'll notice that it enlarges to fully cove

r the reel. Coins in the money category gold and silver can appear on the second

reel and trigger respins. When three Coins on the second reel, ranging in value

from x1 to 20x, appear, the Hold and Respin feature is triggered. You receive f

our respins after which the values of all Money symbols that occur on the reels

are added to the total. Next, the value of all Money symbols on the middle reels

is added to the overall winning. Watch out for the Money symbol (Diamond), whic

h has money values ranging from 100x to 500x and hence produces the largest priz

es, and plays a significant role during respins </p>
