<p></p><p>Sniper Code 2 is a puzzle game where you shoot enemi
es and complete various tasks from a distance using your sniper rifle. There are
many challenging levels with creative missions where you won't be just shoo
ting people, but you will be taking part in tactical missions. Sometimes only sh
ooting the lamps and objects around the environment is enough to solve the situa
tion without bloodshed. Also, use your bullets creatively in order not to run ou
t of ammo in the middle of the mission. Your accuracy matters a great deal in th
is game, so does your stealth ability. Don't forget to spend the money you e
arned in the store to improve your skills. Do you have what it takes to finish e
very mission in Sniper Code 2?</p>
