This product is an account NOT a digital code and it cannot be activated on an existing Steam account. This is a unique account for one customer only. Call Of Duty Modern Warfare II continues the 2024 reboot and features many of the previous characters, including Captain Price, "Soap" or "Ghost." It's a solid shooter that improves many gameplay elements and includes both single-player story mode, as well as engaging competitive and co-op multiplayer. Jump in straight into the action and take part in the events that will shape the modern world. Single-player The single-player campaign takes place 3 years after the previous entry and focuses on the new conflict in which Task Force 141 is involved. When an American general is killed during the missile attack, the world stands on a brink of global conflict. That's when Task Force 141 is called to prevent further escalation and take control of the situation. But naturally, it's not that s
