Call of Duty is a popular video game series known for its realistic depictions of military conflicts. While the games are often inspired by real historical events and settings,

they are not based on specific true stories.

Call of Duty, a PC game, based on a real story?

Quora : Is Call of Duty, a PC game, based on a real story?

Call of Duty: WWII are quite accurate, especially France.

The names of the towns, villages, and even the operations are well-researched (as they should be) and even recreated with decent attention to detail.
