<p>Start Your Journey to Become a Ninja</p>

<p>It's time to begin your journey as Naruto across multiple games, testing your skill as a Ninja in everything from the speed of your mind to the speed of your reflexes. In the Memory Game, you get to test how fast your mind works with other characters. How quickly can you identify a face and remember where it was? This might sound easy enough, but when you're battling against the clock, your mind tends to panic. If you want to win at Memory game, you must make sure you retain as much memory as you can to get the highest score.</p>

<p>Memory isn't the only thing tested on your journey to becoming a ninja.

In the Naruto game - Bomberman, you're playing as a Ninja as you test your reflexes when placing bombs. Not only are you watching out for your own bombs, but you must deal with an opponent placing their own bombs on the field. You gain points by clearing obstacles. To clear more obstacles in the Bomberman game, you must place your bombs right next to them and get to a safe distance. Once an obstacle explodes, there's a chance a power-up will appear. One power-up gives you stronger bombs that extend longer distances. Once all the obstacles are clear, it's time to take out your opponent. Do you have the reflexes to dodge both bombs on your way to a high score?</p>

<p>Fight Against Other Ninjas in these free Naruto Games online</p>

<p>On your journey to become a Hokage, you must contend with other ninjas.

That doesn't mean you don't have to relax along the way with coloring games, such as Boruto Coloring. That also doesn't mean you're below delivery work with Naruto Bike Delivery. Sometimes you must do what you must do to become the best ninja you can be.</p>
