Cash Out is a feature that gives

you the opportunity to close out your active bet before the outcome is decided

. This allows you to secure part of your winnings or cut your losses

as the odds change in or against your favor.

Cash Out is a feature which allows you to settle an open bet for a value determined at the time of

"cashing out". The settlement value offered will fluctuate

depending upon the current likelihood of the bet winning, and could be greater

or less than the initial stake placed on the bet.
