Primary school children expressed a more pronounced desire for a slimmer figure immediately after playing a free game which challenges players to give a female character a makeover for a date. For the study conducted by the University of the West of England (UWE B) Tj T\* BT

d games targeted at girls hosted on the Friv website. A group of 40 eight and nine-year-olds from the South West of England played the makeover game, which sees players changing the hair and clothing of a female character to match a boy character's ideal. Another 40 played Penguin Diner, a game from the same website which is not based on appearance. Participants were then instructed to select the silhouette of a body sh
