<p></p><p>Papas Pizzeria Gameplay</p>
<p>Much like other Papas Pizzeria games, there are three save slots to cho
ose from and you can customize your character. However, unlike more recent Papa
Louie games, you cannot choose or customize a character.</p>
<p>When you start Papas Pizzeria, you are introduced to the backstory of t
he game. Players watch the character Roy driving their car to work only to find
that Papas Pizzeria is empty. Where is Papa Louie? Roy finds a note saying that
Papa Louie is on another adventure and that Roy is in charge of running the stor
e while he is gone. Before Roy can come to his senses, he sees that the first cu
stomers have already arrived.</p>
<p>Fortunately, these two customers are part of the tutorial to get you ac
climated to the different stations in Papas Pizzeria:</p>
<p> Topping Station: This is where you place toppings on the pizza before
moving it on to the next station.</p>
