&lt;p>Warfare 1917 is a fun game of strategy, tactics and war. You are a military general in &#128177; World War I and it is your duty to command your troops and lead them to victory. Before you start &#128177; each battle you can upgrade your units. During a battle, you must deploy your troops to the trenches and help &#128177; them advance across the battlefield to defeat the enemy. Your troops will only advanced when you have a certain number &#128177; of soldiers in one place.&lt;/p>  
&lt;p>Keep pressure on your enemy and keep your troops advancing. You must use a combination of &#128177; troops to advance - don&#39;t simply use one type of troops - try using everything at your disposal such as &#128177; riflemen, assault troopers and mortar troopers. Also remember to make use of your special abilities such as a mortar strike. &#128177; This game is fun but also tactical and it will really make you think about your troop deployment and options! &#128177; Release Date September 2008 Developer Chris Condon developed this game. Features Many units type to be deployed&lt;/p>
