While a VPN allows you to bypass a Rocket League ban by creating a new account using a different IP address, it may be that you prefer to continue using your main account. In this case, your best bet is

to appeal the ban. Besides, appealing a ban ensures you're not going against Psyonix's Terms of Use.

In Competitive matches, there is an automatic 5-minute Matchmaking Ban for the first player to abandon the match. If a player attempts to leave a match, they will be given a warning beforehand.

If a player leaves a second match within 12 hours of the first incident, they will receive a 10-minute ban.
