<p>Not much to say on the MP. I haven't played it since it's year

in the 👏 cycle, and games are hard to find, at least on pc/steam. From

what I remember I enjoyed it, especially the 👏 3v3 mode. the overall ga

me feel is bad compared to the MW games, but I think that's not an issue

28079; going forward. Fun for the most part, but SBMM makes matchmaking annoyin

g to participate in, often having the game openly 👏 tell you it's s

earching for games with 100 plus ping at times.</p>

<p>Zombies though, Zombies is genuine great. BO 3 is 👏 certainly

the peak of the original zombies formula, but I dare say I almost like this more

, gameplay wise. It 👏 is sadly missing a lot of the personality of the

W@W-BO3, with MP operators as characters instead of a set 👏 crew being

the largest problem. The HUD does also kinda suck, fine in function but lacking

any character in the 👏 design. Especially compared to BO3, although I&#

39;d say it's still miles above BO4 with how cluttered that was.</p>

<p>All in all, 👏 I'd say it's worth it on sale if you rea

lly like cod zombies and skipped this one. It has a 👏 lot of rouge-like

elements that can keep you playing for a while, plus a weapon/camo grind, if yo

u're into that 👏 sorta thing. If you're not a fan of zombies, d

on't bother.</p>
