Original Minecraft

However, if you want to play the original pre-release game, Mojang rele

ased Minecraft Classic for the game s 10-year anniversary. This version is based

on the browser-based alpha version of the game, a great bit of nostalgia for th

e original Minecrafters out there.

Moving on to similar games, there s plenty of sandbox games in this gen

re. Some of these games are self-claimed Minecraft Clones like Mine Clone 3, whi

ch features many similarities with the original game.

Minecraft-Inspired Games

There s plenty of innovative titles that take Minecraft elements to cre

ate an entirely new game. Check out Merge Pickaxe for a game that combines Minec

raft and idle elements. Minecraft Tower Defense is another cool Minecraft-inspir

ed game featuring addictive tower defense mechanics! For an FPS game that&#39;ll

have you hooked, Pixel Warfare is a classic FPS game with a Minecraft-style aes

thetic.
