The commune of Laval proper, with out the metropolitan area, is the 7th most populous in the Pays de la Loire regi on and the 132nd in France.[3]</p&gt; <p&gt;A part of the traditional province of Maine before the French Revolutio n, which now split between two departments, Mayenne and Sarthe, Laval also lies on the threshold of Brittany and is not far from Normandy and Anjou. It was thus an important stronghold in northwestern France during the Middle Ages. Laval be came a city during the 11th century, and was the cradle of the House of Laval, o ne of the most powerful families in Maine and Brittany. The counts of Laval deve loped a textile industry around 1300 and made Laval a significant centre for the French Renaissance a century later. The linen industry remained the principal a
