PS4 \(disambiguation\)</p>
<p>The PlayStation 4 \(PS4\) is a home video game console developed by Sony
Interactive Entertainment. Announced as the successor to the PlayStation 3 in Fe
bruary 2013, it was launched on November 15, 2013, in North America, November 29
, 2013, in Europe, South America, and Australia, and on February 22, 2014, in Ja
pan. A console of the eighth generation, it competes with Microsoft's Xbox O
ne and Nintendo's Wii U and Switch.</p>
<p>Moving away from the more complex Cell microarchitecture of its predece
ssor, the console features an AMD Accelerated Processing Unit \(APU\) built upon t
he x86-64 architecture, which can theoretically peak at 1.84 teraflops; AMD stat
ed that it was the "most powerful" APU it had developed to date. The P
layStation 4 places an increased emphasis on social interaction and integration
with other devices and services, including the ability to play games off-console
on PlayStation Vita and other supported devices \("Remote Play"\), the
ability to stream gameplay online or to friends, with them controlling gameplay
remotely \("Share Play"\). The console's controller was also redesi
gned and improved over the PlayStation 3, with improved buttons and analog sticks
, and an integrated touchpad among other changes. The console also supports HDR1
0 High-dynamic-range video and playback of 4K resolution multimedia.</p>
<p>The PlayStation 4 was released to critical acclaim, with critics praisi
ng Sony for acknowledging its consumers' needs, embracing independent game d
evelopment, and for not imposing the restrictive digital rights management schem
es like those originally announced by Microsoft for the Xbox One. Critics and th](#)
