bundesliga takes a closer look

Bayern never lose during Oktoberfest, everyone knows that. Munich's annual beer-drinking bonanza will wrap up early next week, and so far the Bavarian city's biggest team have not tasted defeat in the Bundesliga during the 2024 edition.

But not even seven points from three games was enough to save Carlo Ancelotti from becoming the first Bayern coach to lose his job during the world-famous festivities.

The coup de grace to the Italian's reign was delivered by one of his former clubs, Paris Saint-Germain, with their 3-0 win in the French capital Bayern's heaviest group-stage defeat in the UEFA Champions League. Still, you couldn't say Ancelotti's departure has come as a surprise, nor is it just the result of 90 minutes to forget in the shadow of the Eiffel Tower.

Third in the Bundesliga table, three points off top spot after six games, would be considered a rampaging start to the season at most clubs. Bayern, of course, are not most clubs. In 2010/11, they were also three points off table-topping Borussia Dortmund after six matches, and Jürgen Klopp's side went on to claim the title. Clearly, the Bayern bosses don't want a repeat.

Call of Duty 4: Modern Warfare The game was released for Windows, Nintendo DS, PlayStation 3, and Xbox 360 on November 7, 2007.

It was released for PlayStation 2, Xbox, Xbox 360, PlayStation 3 and Wii.

It was a launch title for the PlayStation 3 and Wii in North America, Europe and Australia. It is also the only major installment to not release on the PC.
