Typically, the more a person gambles, the more likely they are to receive complimentary offers. However, there is no specific amount that guarantees these perks, as they are often based on a combination of factors such as frequency of visits, the amount of money gambled, and the type of games played.

How much do you need to gamble in a casino to get free room and food?

You should be just fine with R\$1,000. As Gambler and Trifecta mentioned about tips, I wouldn't fuss about them. When I go with my friends, gambling and food are the big hits for us and I can make R\$1,000 last for 4 days, so you should be fine with R\$1,000 sans gambling. WE did 1,000 each and was just perfect.
