At the end of the hunting season in Spain, the galgos deemed worthless or too costly to maintain are destroyed in a variety of inhumane ways including being hanged, dumped into abandoned wells, shot, and even burned to death.

The Spanish greyhound, or galgo, is one of the most persecuted dog breeds in the world. Galgo rescue organizations are working to help these dogs.

The plight of the Spanish Galgos

Each year, approximately 60,000 Spanish galgos (hunting dogs) are abandoned or tortured to death in Spain, especially in the communities of Castile and Leon, Extremadura and Andalusia. Galgos are primarily used by hunters (galgueros) to hunt hares.
