<p>It s a really good game it s fun to play and entertaining I like this g

ame because you couldn t make 💪 sure the sound and there s no sound wit

hout loading up your device or 11 get down so get down so 💪 it s a real

ly good game it s fun to play and it really entertaining I like this game becaus

e you can 💪 make sure the sound and there s no sound without increasing

up your device or lowing it so what I would 💪 like to say is that they

should get quite a bit of an upgrade and stop telling you to continuously €

170; get something because during the run because you d be focusing on your hig

h score instead of something else as it s 💪 really distracting and take

s up a lot of your time during the run as in addition I would like to 💪

say that there is quite a couple of good things about this because you can watc

h an advert if you 💪 wanted to you to get the daily rewards are really

rewarding and you can get a lot of keys which 💪 would help you speed up

one thing I do not like about this game is how the speed goes up 💪 as

you run fast I guess that s all the cons and all the pros Plus there s a lot of

kind 💪 of thing you d get five of something and you get is money and in

the money the randomising money thing 💪 is that you didn t after 10,00

0 coins right but usually it is 1000 coins and below which is kind of 💪

really random because it s frustrating as I m trying to get a lot of money whic

h would help if you d allowed 💪 us to get a lot of money in a certain t

ime not just 1100 or 200</p>
