The galgo does not need much exercise

. Three walks of 20 minutes a day is usually enough. Despite being the

athletes of the canine world, galgos are not very active dogs. Obviously it de

pends a lot on the age, a young galgo less than two years old has more need to r

un than an older one.

The Spanish Galgo is a medium-size hound dog breed from Spain

with a short, smooth or rough coat and a narrow, lanky build.

Also known as the Spanish greyhound, these dogs closely resemble the more common English greyhound dog breed likely a relative of them. Galgos are athletic, with

good swiftness and endurance.
