<p>Trust us when we say that it is not every day that we get to bring you new and 🌈 interesting first person shooter games online, especially games that are like this one that you are going to play, a 🌈 game that we have found to be quite unique, and one that we are positive you are going to love 🌈 playing plenty, because it was our own amazing time with it that made us convinced that we had to share 🌈 it with everyone. From this following part of the article you learn everything you need to know about the game, 🌈 so why not read to the end before you start? You are going to move around using the w, a, 🌈 s, d keys, while with the mouse you look around as well as shoot. In this game, only when you 🌈 are moving the time is flowing, so when you stop, it also stops. Use this to your advantage in order 🌈 to avoid enemy shots, and if you do it right, you then get to have a step ahead of them 🌈 and shoot them down faster and take them out, advancing through the stage. Get through one stage after the other, 🌈 until you completely win the game. Good luck, and if you are up for more fun, sticking around here and 🌈 having even more fun with other great games that are coming is certainly what you have to do!</p>
