<p&gt;&lt;/p&gt;&lt;p&gt;Story&lt;/p&gt;
<p&gt;The game takes place during World War II and its story is divided into
three separate campaigns
                           Soviet, British,
                                              and American
different historical events. Soviets start their campaign during the Battle of M
oscow and have
                  , to defend the city, while the British start in North Africa a
nd are tasked with a sneak attack on Afrika
                                            , Korps troops. American campaign,
on the other hand, begins during the famous D-Day and takes the player through
                    events, including the ones revolving around the Hill 400.&lt

                                                     , are not aware
you want to succeed, you have to cooperate with other soldiers, who can draw ene
       fire or lay down covers for you.</p&gt;
<p&gt;The game features a variety of historically-accurate weapons from the W
WII era. Defeated enemies
                           , drop their weapons
                                                    you can pick them up and use,
but you can only wield two firearms at any , given time. Combined with limite
d ammo, you are encouraged to make use of everything you can find. Defeating gro
         , enemies can be done with frag grenades, while smoke grenades provide
tactical cover.</p&qt;
