[How to change your Google Play Store country on mobile](#)

On your Android device, open the Google Play Store app.

Tap the profile icon in the upper-right corner.

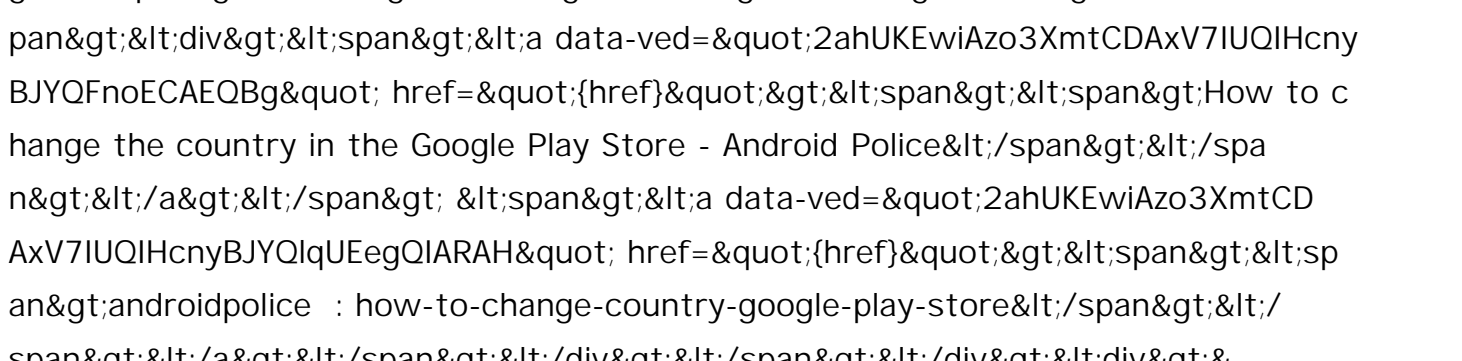

Tap Settings and then tap General.

Select Account and device preferences and then tap Country and profiles.

Choose the country where you want to add an account.

[How to change the country in the Google Play Store - Android Police](#)

A placeholder for an image showing how to change the country in the Google Play Store. The image area contains a large, complex URL and several data-ved and href attributes, indicating it was likely a screenshot of a webpage or document that failed to load properly. The URL is: data-bbox="79 670 999 830" data-label="Text">
