First things first, let's cover the basics. 6+ Hold'em, also known as Short Deck Poker, is a variation of Texas Hold'em that uses 36 cards instead of the standard 52. That's right, all cards below six are removed, leaving us with a stripped-down deck that offers a new and exciting challenge for poker enthusiasts.

Now that we've got that covered, let's move on to how the game is played. Each player places an ante, similar to Texas Hold'em, and then receives two private cards. The dealer then places a blind bet, and the players can choose to call, raise, or fold. The twist? The flop, turn, and river are community cards, just like in Texas Hold'em. However, since the deck is smaller, the chances of making stronger hands are higher!

But wait, there's more! Since the deck is smaller, the ranking of hands changes slightly. In 6+ Hold'em, a flush beats a full house! That's right, if two players have a flush, the winner is determined by the highest card in the flush.

Now, let's talk benefits! 6+ Hold'em offers several advantages over traditional Texas Hold'em:

1. More powerful and exciting hands: With a smaller deck, players have a higher chance of creating stronger hands, making for a more thrilling game.
