The Japanese version of Crash Bandicoot was made easier than the original release to appeal to the Japanese PlayStation market's preference for lower difficulty levels. The localization hid the game's American origins as much as possible, featuring no roman letters for instance.

A sortie (from the French word meaning exit from the Latin root surgere) is a military operation in which a force of troops is sent out to fight or to perform a specific task. It can be used to describe a variety of military actions, including a surprise attack, a raid, or a withdrawal. The term is often used in the context of World War II, where it was used to describe the Japanese attack on Pearl Harbor.

be it an aircraft.  
our troops with a strong point! The term "sortie", originated on  
siege warfare; Sorty -
