Some jumpscare

Some jumpscare are found in the film too, usually accompanied with a loud sound effect and terrifying music. This is a very suspenseful and scary movie, with multiple nightmarish sequences and a number of graphic death scenes. The ending is very startling and terrifying.

O O bet365

Very graphic and disturbing. Killings are gruesome and very bloody, however they are totally outdated to today's standards. In the film's most iconic sequence, a woman's face is smashed through a window, before she is stabbed several times from a distance.
