The iconic StatTrak! M4A4 | Howl is possibly the most expensive CS:GO skin and certainly the rarest.

It's a contraband skin (the only one of this rarity), which means that you

can't get it by opening cases anymore. In fact, the only way to obtain the H

owl is through trading it with other players on skin marketplaces.

Will Playing On A Skin Changer Server Get You Banned? While Valve doesn't like skin

changers, you will not get banned for simply playing on a skin changer server.

These servers are usually called ws servers and are

not allowed by Valve in policy, but little is done against them in practice.
