Paint and Run is a puzzle platform game where you drive a truck that sprays paint, and your job is to paint every ground and surface you can get your wheels on. Drive into certain stops in the city as you can see on the map and start the level. You will automatically paint any surface you pass, which means the only thing you have to worry about is the law enforcement. Jump, bounce on spring-loaded platforms, avoid obstacles, smash security drones, collect stars, and unlock different types of cool vehicles!

Are you ready for a colorful adventure?

If your order is shipped via Regular Mail, the delivery will be made by the local Postal services in your area.

The methods and timeframes for delivery vary from country to country, but usually they will make up to two delivery attempts before leaving a card and holding your parcel at the local postal office.

The card will state the date and time they tried to deliver the parcel, the address and business hours of the postal office where your parcel is being held, the date it will be available for pick-up and sometimes a reference code.

In some occasions a redelivery can still be arranged with them or, if this is not possible, you will have to pick up the parcel at the designated postal office. Usually they will hold the parcel for up to two weeks after which the parcel will be returned to the Rewards Store or disposed of.
