In the game Penalty Shooters 2, you are given the opportunity to represent your favorite team and even the football team of a country. So be prepared mentally to make perfect shots. No one dares to say that being a footballer is easy, especially when you're going through a rough patch to get to this risky and mind-boggling penalty shootout. A long road is about to come to an end. And now is the time to show your resilience and strong will along with your superior level. Only one final match and victory will go to the most deserving.

Penalty kicks are always risky. But it is that nature that has brought the most attractiveness that other forms of competition never have. In the penalty shootout, the team that scores the most goals after the first five innings will be the winner. However, if one side successfully takes more penalties than the other side can achieve with all of its remaining kicks, the shootout will end immediately, regardless of the number of kicks remaining.

In the role of a free-kicker, to score a goal, when the target red dot is running around the goal, choose the appropriate time and hold the mouse button, wait for the red dot to run to the position you choose to shoot. Release the mouse quickly. Immediately after, the ball will be kicked and the result will be displayed by a beacon in the lower right corner of the screen. Note that the opponent's goalkeeper is smart enough to remember where you shot before. Therefore, you should move the shooting position continuously through the shots.

All in all, Penalty Shooters 2 brings us one of the most popular online soccer games of all time. It completely conquers every player with its eye-catching graphics, immersive sound, and extremely rich team options. Try to score as many goals as possible and win the tournament.
