Four Colors lets you play the popular card game for free in your web browser. The aim of the game is to be the first player with no cards, similar to other Crazy Eights style card games. Play a game like UNO in multiplayer with 2, 3, or 4 players.

[How to Play Four Colors](#)

There are various strategies you can use to maximize your chances of winning at this multiplayer UNO-inspired game. The main principle is to get rid of all your cards before everyone else. You can do that by matching the color or number of the card placed down before yours. If you don't have a playable card, you must draw cards from the pile until you do.

When you have one card left, press the "1" button, otherwise you will be punished with two penalty cards!

[Help the bartender mix drinks in the right ratios for Miguel!](#) Choose from a shelf full of different drinks that range from Vodka, Whiskey, Vermouth, Tripple-Sec, Gin etc. and mix them together for the ultimate drink for a good night out. Add ice or lemon to the drinks to give it that extra kick but be careful, mixing the drinks in the wrong amounts or simply mixing the wrong drinks could end in in the worst of ways! No bartending school required!

First you must add your choice of spirit. Maybe you will choose Kahula, Vermouth, or even Tequila? Next, you can add an accompanying juice such as orange, lemon, and cranberry. Will you add some ice to cool your drink or maybe a lemon to add a little sourness? Shake your drink and serve your concoction to Miguel. Will he like your cocktail or will it send him to an early grave? Can you create the right mix and serve the perfect drink?

[Bartender The Right Mix](#) is a Flash game that you can now play without the discontinued plugin, thanks to Ruffle.
