Ghost's is the first CoD game to grace the PlayStation 4. It brings impressive improvements of titles from the previous generation and allows for a level of personalisation that other CoD titles didn't include. The campaign will have you play through an impressive 18 missions, each boasting great-level design.

it's definitely an 15+ age rating, it features cartoon violence, horror and heavy cartoon gore. The game itself is based upon a Creepypasta which makes it an horror story - I won't spoil it but you should certainly find and read the story before allowing your child to play the game.
