In Catpad, you play as a cat! And as a cat, you can
do regular cat stuff; you can build a tower out of boxes, play memory
and sometimes even drive a car at high speeds. As you play, shiny po
wer-up balls will show up. Hitting enough of these balls will put your cat into
Fever Mode! In this mode, your cat goes a bit crazy and will start sc
oring tons of points. This can help you to set new highscores and get
new achievements. By getting good scores, you will unlock new items to decorate
your cats home with! There's more than 6 games for you to master
. Can you and your cat become the perfect duo?
How to play Catpad?
Click with the mouse to move your cats paw!
Click with the cats face to give it a pet!
