The enFORCE s integrated load cell and resolver provide highly accurate closed-loop control of the assembly process. Built-in programmable check zones allow in-process inspection and stop the cycle before out-of-spec parts are produced, reducing scrap. Press methods include pressing to force, distance, rate increase and decrease, relative distance and more. Programming

The sixth stage (Bari-L'Aquila) is remembered as the hardest stage in the history of the Giro, with many riders forced to retire, including the first of the general classification Giuseppe Azzini, who was found the next day resting in a country house.
