Paint and Run is a puzzle platform game where you drive a truck that sprays paint, and your job is to paint every ground and surface you can get your wheels on. Drive into certain stops in the city as you can see on the map and start the level. You will automatically paint any surface you pass, which means the only thing you have to worry about is the law enforcement. Jump, bounce on spring-loaded platforms, avoid obstacles, smash security drones, collect stars, and unlock different types of cool vehicles!

Are you ready for a colorful adventure?
