Introduction: The California Basic Educational Skills Test (CBEST) evaluates the skills of prospective teachers in reading, mathematics, and writing. The test is required for all individuals applying for a teaching credential in California. The test is administered by the State Board of Education and is a key component of the teacher certification process. The test is designed to assess the basic skills necessary for teaching in a public school. The test is a multiple-choice test and is administered in a computerized format. The test is a key component of the teacher certification process and is a key component of the teacher certification process.
