As a special child of the yellow-eyed Demon, he

was completely unaffected by the powers of other said special children.

Before he even drank the plasma, this immunity was in effect, which is

why he wasn't susceptible to mind control and the Croatoan Virus.

The settlers, who arrived in 1587, disappeared in 1590, leaving behind only two

clues: the words "Croatoan" carved into a fort's gatepost and "Cro

atoan" etched into a tree. Theories about the disappearance have ranged from an

annihilating disease to a violent rampage by local Native American tribes.
