About Free Escape Games

Escape games, also known as escape room games, are a category of puzzle

games that challenge players to use elements of the game environment

to escape a confined environment. The concept was first popularized in Japan, w

here the first escape game, titled MOTAS (Mystery Of Time And Space),

was released in the early 21st century. Designed by Toshimitsu Takag

i in 2004, it sparked the global trend of escape games enjoyed by players of all

ages today.

This genre of games brings the thrill and excitement of the

real-life escape room experience to the digital world. Players can immerse

themselves in various narratives, such as escaping from a spooky haunted h

ouse, a deserted island, a high-security prison, or even a mundane of

fice.

Escape games also echo elements of pop culture. Can you imagine yoursel

f in the shoes of Harry Houdini, the iconic escape artist? Or perhaps

translate the adrenaline-pumping escape scenes from popular movie franchises su

ch as Prison Break or The Shawshank Redemption?

What types of escape games are there?
